Electricity Price	The actual average price for electricity may vary according to your exact monthly usage. This price disclosure is an example of the total average price for electric service reflecting all CenterPoint Energy's recurring charges and is based on the following:			
	Energy Charge:	8.3¢ per kWh		
	Base Charge:	\$4.95		
	CenterPoint Energy Delivery Charges:	\$5.47 per month 3.989¢ per kWh		
	The average price per kWh includes the PUC Assessment. Prices are exclusive of state and local sales taxes and the Gross Receipts Reimbursement.			
Except for price changes allowed by law or regulatory action, this price is the price that will be applied during your first billing cycle; this price may change in subsequent months at the sole discretion of Direct Energy. Please review the historical price of this product available at http://www.directenergy.com/historical-pricing and 1-888-305-3828.				
You may be subject to a special charge from CenterPoint Energy that is not included in the total average price for electric service. If you are subject to a TDU special charge, you may contact us at 1-888-305-3828 for more information regarding the price and applicability of the charge.				
Applies to AEP Texas Central Service Area only. Customers located in the Mission/McAllen area formerly served by Oncor are not subject to AEP Texas Central's transition charge-2, transition charge-3, nuclear decommissioning charge, system registration charge, and the ADFIT credit associated with the system restoration charge.
